The **Siren Shelter Holiday Tea** 2011 was held on Sunday, November 13 at St. Mary's Church. Of the more than 20 decorated tables, the GFWC-Charlotte table themed "O Holy Night" took best of show. Seated at this table were: Sally Jewell, Sylvia Colles, Dianna Rabey, Jan Olin, Rhonda Burl, and Margie Carter. There was also a silent auction, food, and the Grand Ledge HS Chorale. Margie says, "The table was a little over the top, but the judges liked it." A good time was had by all.

Board Talk + Australia Trip Margie Carter

Hope this New Year is looking like a banner year for you and your loved one. Australia was amazing. Three days in Perth, temps. 80 in day and 60 at night, 3 days in Cairns (pronounced cans), upper 80 and upper 60, 7 days in Sydney, upper 70 and lower 60. Sunned on the oceans and Tasman Sea, train trips, sky rails, mono rails, busses, my daughter and the young ones walked the super structure of the Sydney bridge, toured the Opera House, Aquarium, Museum, kids surfed, shopped, all but 2 held a koala, pet kangaroos and wallabies, saw a wombat, sharks, sting rays, eels, snorkeled on Great Barrier Reef, and ate new foods. Very expensive living in Australia and quite an experience.

The downtown urns were given tender loving care by Stormi S. and Nola B. and their spouses. Thanks loads, they look much better. SIREN/Eaton Shelter donations were delivered on Tuesday, December 6. Eighty-seven dollars in items were received from generous members for their clients. Twenty-two lap robes were delivered to the Eaton County Medical Care Facility on Friday, December 9. It was the same day that they were having their bazaar and one of the shoppers asked me how much the blankets cost. When I told her that they were being donated to the Facility, she replied, "Pity. You could have made a lot of money on them. They're lovely." Thanks to all who made them. Beth West was very gracious and thankful when receiving them. About 3 pounds of broken crayons were sent in on Friday also. Thanks to all who contributed.

Remember to bring a \$1 and purchase a Valentine for the Vets. **Wear red for Valentine's Day** and Women's Heart Health Month to our next meeting. Look forward to seeing you there. Don't forget to make your reservation.

Following the 70th anniversary of the bombing of Pearl Harbor, **Tea and Tomes** will be reading the story of a WW II Army Air Corp bombardier and survivor. Please join us for a discussion of *Unbroken: A WW II Story of Survival, Resilience, and Redemption* by Laura Hillenbrand. While researching her bestseller, *Seabiscuit*, Hillenbrand kept coming across the name of Louis Zamperini. Lou was an Olympic track star who endured an amazing odyssey in World War II. Louis Zamperini's life, as told in *Unbroken*, is a tale of daring, defiance, persistence, ingenuity, and the ferocious will of a man who refused to be broken. Tea and Tomes meets in the Spartan Room of the Charlotte Community Library on **January 24, at 12:45 pm**. Refreshments and refreshing discussion will be served.

GFWC-Charlotte PHOTO INTEREST GROUP

Black and White photography was the topic explored at our Photo Interest Group December's meeting. After traveling to Jackson this past summer to see Ansel Adams: Masterworks, our group wanted to learn more. Carol Rossio presented a program featuring the life and work of Adams. The advantages of Black and White and suggestions for taking quality pictures was given by Mary Remenak. The challenge for this month's Photo Sharing was photographing something "mysterious or fascinating." The winners were Lorraine Green-1st place and Mary Remenak 2nd place. The topic for our February 9 meeting is: Close-up of your favorite thing--one color print and one black & white print.

It is never too late to join us! At our February meeting, we will be taking "Still Life" photos in a "hands-on" activity. We meet the 2nd Thursday of each month at the Charlotte Community Library @ 12:30-2:00. (There is no January meeting)

1st Lorraine Green

2nd Mary Remenak

Cynthia Siarny Dies

After a long battle with cancer, Cynthia died on 12-31-11. She was only 63 years old. She joined our club in 2001 and was an active participant in the book club. She is survived by her husband, Bill, mother, four children, four grandchildren and eight siblings.

Knitters: Sara will be at the February meeting so it will be a good time to turn in any skull caps you have finished and/or ask any questions you may have about the project. If you want to arrange a time with Sara to figure out how to knit a skull cap, we can do that. If you can knit and purl, you can do this project.

You may have already given up on your New Year's resolutions, so here's a second chance for a fresh start. Our first meeting of 2012 will help you achieve energy, harmony, and balance. The English translation of Feng shui is "the way of Wind (feng) and Water (shui)" or "the natural forces of the universe." Our speaker, Lori Greer, will help us learn about the Chinese art of arranging buildings, objects, and space in the environment. Fun and informative!

OPERATION SMILE BAGS

Looking for something to do this winter? Why not sew some Operation Smile Bags. The bags are easy to make and you can choose cotton fabric from your own supply or purchase fabric. The only restriction on fabric is that no prints contain religious symbols or markings or are related to war or violence, such as guns, military action figures, etc. as these may offend the cultural beliefs of international patient's. Last year 18 club members donated 65 bags to the project. So far this year 9 members are involved. If you are interested and need instructions or have fabric you'd like to donate call me at 645-2573 or email me at hobie7040@sbcglobal.net and I'll get the instructions to you or make arrangements to pick up your fabric. The project will come to a close at our April meeting so if you're out of state for the winter, return your bags as soon as possible after you return. Thank you for your continued support of this program.

Layman's 10 Commandments . . .

- 1] Prayer is not a "spare wheel" that you pull out when in trouble,
but it is a "steering wheel" that directs the right path throughout.

- 2] A car's WINDSHIELD is large and the Rear View Mirror is small. Why?
Because our PAST is not as important as our FUTURE.
Look Ahead and Move on.

- 3] Friendship is like a BOOK.
It takes few seconds to burn, but it takes years to write.

- 4] All things in life are temporary.
If going well, enjoy it, they will not last forever.
If going wrong, don't worry, they can't last long either.

- 5] Old Friends are Gold! New Friends are Diamonds!
If you get a Diamond, don't forget the Gold,
because to hold a Diamond, you always need a base of Gold!

- 6] Often when we lose hope and think this is the end,
GOD smiles from above and says,
"Relax, sweetheart, it's just a bend, not the end!"

- 7] When GOD solves your problems, you have faith in HIS abilities;
when GOD doesn't solve your problems HE has faith in your abilities.

- 8] A blind person asked God: "Can there be anything worse than losing eye sight?"
He replied: "Yes, losing your vision!"

- 9] When you pray for others, God listens to you and blesses them.
And sometimes, when you are safe and happy,
remember that someone has prayed for you.

- 10] WORRYING does not take away tomorrow's TROUBLES;
it takes away today's PEACE.

THE OLDER CROWD

A distraught senior citizen phoned her doctor's office.

'Is it true,' she wanted to know,
'that the medication

You prescribed has to be taken
For the rest of my life?'

'Yes, I'm afraid so,' the doctor told her.

There was a moment of silence
Before the senior lady replied,

I'm wondering, then,

Just how serious is my condition
Because this prescription is marked
'NO REFILLS'!
