1	2022 April is "Child Abuse Month". Our State President Ruth Ann challenged all clubs to help somewhere concerning child abuse programs. We in Charlotte have "Suitcases 4 Kids" and the "Teen Center". I am asking, if you are able, and have an old useable suitcase in the basement, to take them to either place. Both places serve the needs of children, homeless and/or abused. (Newsletter)

4	SIREN/Eaton Shelter - Our local Domestic Violence and Homeless Shelter is a non-profit agency that assists with emergency and transitional shelter, support services, and a 24-hour crisis line for women and children in Eaton County. GFWC-Charlotte contributes to SIREN by promoting events and causes with the fundraising for their programs. Our members do however continue to support SIREN with items donated from their ongoing "wish list". SIREN is mentioned in our monthly newsletter frequently. Personal care items like shampoo, soap and lotions, cases of baby wipes, diapers (to name just a few items) were donated by club members for use by SIREN clients who flee unsafe situations and leave behind their personal belongings. Club members also donate socks, underwear, shoes, and bras. The club collected over 2,500 pairs of socks and many were donated to SIREN

GFWC-Charlotte contributes to SIREN by promoting events and causes with the fundraising for their programs. On November 13, 2022 GFWC-Charlotte in partnership with SIREN/Eaton Shelter hosted an annual Holiday Tea. This tea provides funds to SIREN/Eaton Shelter, a service in the community that provides emergency shelter, transitional housing and support services to thousands of people each year who are victims of domestic abuse and homelessness. The 15 GFWC Committee members began meeting in May 2022 and met once a month for 7 months to prepare for the event. Monies raised from this event derive from the table reservations; voting for individual table decorations; luncheon and silent auction and super raffle. Proceeds from the event are

1	<p>Christmas Kiddies had 8 club members met at the downtown Charlotte fire station on December 17 to wrap Christmas presents for the Christmas Kiddies program. Christmas Kiddies was started in 1906 and the tradition continues. All of the money will be used to buy toys that will be given out on Christmas Eve by the 6 full time firemen and 25 volunteer firemen when they will visit over 500 children covering 150 miles on 6 different routes in town and out in the country. Traditionally, the Santas come down the firepole at the E. Lawrence station before heading out at dusk and are greeted with great enthusiasm from the crowd. Look for the fire trucks and flashing lights and children are welcome to say "Hi" to Santa. Donations of unwrapped toys and/or money can be dropped off to either of the firehouses or money can be put in the canisters in businesses around town.</p>

3	<p>Foster Care Support - GFWC-Charlotte is always looking for new ways to help our Charlotte community. A program was started in Charlotte for Eaton County by Jennifer DeLeeuw called "Guardian Angels Suitcases4Kids" which is a Michigan charity that helps ease the transition of children in the foster care system in Eaton County and surrounding areas since 2014. Many of these children are taken from an abusive or neglectful home and have already suffered a great deal. They have no one they trust and nothing but a garbage bag full of a few belongings. This is where they come into play. Guardian Angels helps to provide a care bag to each child when they come into care that contains age-appropriate items that they can keep forever. Having something they can call their own is their way of making the transition a little bit easier and letting them know that someone really does care. Guardian Angels also has an inventory of no charge items that are available to foster children in need. They work with the</p>

6	<p>Listen to Me Read - Several of our club members go into Washington, Galewood, and Parkview Elementary School and listen to students K-3 read. The program supports at risk students who aren't given reading support at home, and who need help with fluency of reading and comprehension. One of our members, a retired third grade teacher saw this need of reading to a listening ear. The Chair coordinates the schedule with the principal, makes sure everyone gets a background check and files their paperwork. She is the liaison between club members and the school. Readers are coordinated with the student's schedule and the principal. Due to Covid 19 the schools have been closed to the public since March 2020. Schools opened in the fall of 2022.</p>

7	<p>Information regarding Teen Dating Violence Awareness Month was posted to our Web Page and also included in our monthly club newsletter in February. GFWC members are strong advocates for youth and empowering the next generation of leaders. Before becoming adults, one in three U.S. teens will experience physical, sexual, or emotional abuse in a relationship. GFWC-Charlotte supports bringing awareness of this issue to our members and the public.</p>

8	<p>RIF Participation in Reading is Fundamental (RIF) started in 1996 in our club. Club volunteers help with the selection, distribution and reading of the books. Members enjoy mentoring young children, and the children chose a book to keep for their very own and take home. Some of the children had never owned a book before. In 2022, our RIF program distributed books including some for teachers to use as classroom reference material. We served every 2nd grader at our two public elementary schools and St. Mary's School. RIF is a \$750 line item in our budget indicating GFWC-Charlotte's dedication to our community's youth.</p>

They traveled to the Philippines with a group of medical volunteers to repair children's cleft lips and cleft palates. What they found was overwhelming. They rallied fellow doctors and have been performing surgeries ever since all over the world. Operation Smile has a list of items and this year it included toothpaste, toothbrushes, and get well/encouraging cards. An attractive basket was at the September, October, and December meetings and members donated items. The chair sent the collection of items to Operation Smile</p>

11	<p>GFWC-Charlotte Annual Graduating Senior Tea GFWC-Charlotte has hosted the Annual Graduating Senior Tea since 1947 and the 75th anniversary was celebrated at the Charlotte Performing Arts Center. Our committee of 11 met once in April and once in May and worked with the Charlotte High School Administration and the director of the Performing Arts Center. Our Corresponding Secretary mailed a formal invitation to each student and they could invite parents, grandparents, and significant others to the tea. All our members were encouraged to attend the tea and over 20 ladies furnished three dozen cookies each. Past Presidents were asked to serve the tea and punch and large silver trays of cookies were served. Our GFWC-Charlotte chorus opened the program with a selection of three songs.</p>

2	Mobile Meals, Inc. of Charlotte This program was started by GFWC-Charlotte in 1971 and has been in operation continuously ever since. Meals are prepared daily at the local hospital and delivered by 100 community volunteers (35 of whom are club members). Each of these people drive once a month for about one hour—picking up the meals, delivering them, helping recipients open containers, and returning the equipment to the hospital. All of the seven board members are club members, and they coordinate and administer the program. This includes qualifying subscribers, securing and reminding drivers, collecting payment and handling problems and emergencies that arise from time to time, as well as training drivers and coordinators. We receive some donations from The Eaton Area Community United Way which partially subsidizes the cost of the meals to keep them affordable to the subscribers.

6	<p>The GFWC-Charlotte conducted a shoe drive fundraiser of all styles and sizes of new and gently used men's, women's, and children's shoes and boots from September 1 to December 30 to raise funds for their scholarship fund and other community projects. Nine businesses and churches had collection boxes and many community members donated 2,500 shoes along with our members. All donated shoes were redistributed throughout the Funds2Orgs network of micro-enterprise (small business) partners. Funds2Orgs works with micro-entrepreneurs in helping them create, maintain, and grow small businesses in developing countries where economic opportunity and jobs are limited. Proceeds from the sales of the shoes collected in shoe drive fundraisers are used to feed, clothe, and house their families. One budding entrepreneur in Haiti even earned enough to send to her son to law school.</p>

In October and November details were given on Facebook and the paper telling people to register for an urn and directions for decorating their urn. Businesses, a girl scout troop, families, and individuals came out on a cold and windy December 3 morning and put their snowman in the urns. The Lions Club donated \$50 and the Charlotte Optimists donated \$100 for the hot chocolate and donut holes that the participants enjoyed along with community members that came downtown to view the snowmen. The creativity was wonderful and the reaction of the community through Facebook comments was outstanding. An articles in the County Journal paper, Facebook posts, and Newsletter pictures and articles were done.</p>

1	<p>GFWC-Charlotte Chorus - GFWC-Charlotte Chorus began singing in 1976 and continues to the present and is the only GFWC chorus in the State of Michigan. Practice starts at 9:00 a.m. every Tuesday morning and very few members ever miss a Tuesday in the months of March-May and August-December. The chorus performs many times throughout the GFWC year including the October general meeting, the special Christmas Tea in December, and the Senior Tea in May which awards scholarships and honors all Charlotte High School graduating seniors and their families. In December the choir performs all on one day at 3 nursery homes including Eaton County Medical Care Facility, Sensations Memory Care and Hope Landing and the Charlotte Rotary Club luncheon. The Rotary has the group every year and is one of the highlights of monthly year-around meetings. 9	Being a Good Neighbor On November 4 at our yearly guest night program chair Sherry Myers introduced Bob Hoffman, host of Morning Blend on Fox 47 News and producer of a weekly segment called Being a Good Neighbor that highlights local people making a difference in their community. Bob has thirty years of experience in public relations and marketing. Bob knew from age eight that he wanted to tell stories like his hero, Bob Dotson, who created the television series, The American Story with Bob Dotson. Bob spoke about the power of kindness and the importance of positive thoughts. Of our 80,000 thoughts per day, 80% are negative. Volunteering just four hours per month has been shown to improve your health. Positivity increases brain activity and neural connections as well as boosting your immune system. He recommended reading Stick to It!: The Power of Positive Persistence by C. Leslie

1	<p>Michigan Education Foundation Announcements and informative information were given at each meeting in the fall about the Education Foundation. Articles were also included in the monthly newsletter of our club by Nancy Gensel and Linda Foster. They also facilitate requesting scholarships for club members. Linda spoke on new changes at the GFWC MI Convention and worked with the board to make changes happen, such as covering some transportation costs, and expanding what is covered.</p> <p>The SWD contributes two items to the Michigan basket. The GFWC Scholarship chairperson is responsible for gathering the applications, obtaining four judges from our community and then delivering instructions and score sheets to the judges. In May of 2022 at the Senior Tea the club awarded one student a \$1,000 scholarship in the traditional manner and two \$500 scholarships by a drawing with over 240 students, families, and club members in attendance. Students that met specific qualifications and filled out a card for the drawing had their cards put in a bin and two were picked out at random. Students needed to be present to win. The money is paid to the educational institution the recipient plans to attend after they have been accepted. Pictures and an article was put in the local paper, the club's Facebook page and the Club Communicator. The Senior Tea is a very special event for the seniors as it is</p>

A list of the years book selections is sent to all members of club in August and posted on our Facebook page. These books include selections from fiction, non-fiction, and classics. Tea and Tomes averages 20-30 women per month and is a popular draw to new members. The facilitator maintains a group reminder email, submits newsletter articles to the Club Communicator, schedules volunteers for refreshments for each meeting, and prepares the discussion questions. They have tea in real teacups with a small snack which many times coordinates with the book. The ladies meet once a month, January through May and September through November. At many meetings a group picture is taken along with the book being discussed and a teacup and posted on the club's Facebook page as well as the</p>

2	<p>Our club maintains 21 downtown urns and two flower beds at City Hall. Our chair coordinates the purchase of flowers in March from a local greenhouse and the planting/decorating of the urns. The city cleans out the winter decorations in the urns and members prepare the urns by adding soil in the second week of May and weeding the two flower beds at the City Hall parking lot entrance. They plant flowers in 21 urns near the end of May and the flowers are paid for by the Downtown Development Authority. The city cleans out the urns in the fall. This year the chair created a community activity called "Build a Snowman". In October and November details were given on Facebook and the paper telling people to register for an urn and directions for decorating their urn. Businesses, a girl scout troop, families, and individuals came out on a cold and windy December 3 morning and put their snowman in the urns. The creativity was wonderful and the reaction of the community through Facebook comments</p>

The Memorial Park was first established in 1921 and over the years has been enlarged and maintained by numerous civic organizations and clubs. The City of Charlotte mows the grass. Weeding, planting flowers and general cleaning is maintained by GFWC-Charlotte members. There are monuments from the Spanish American War, Civil War, Memorial Veterans World War, WWI, WWII, Korea, Vietnam, Persian Gulf War, September 11, Operation Iraqi Freedom and a monument dedicated to all who served in the U.S. Armed Forces. The park is a quiet place of reflection that honors the men and women from our community who have served in the Armed Forces. Meijer donates a \$200 gift card.</p>

Members are asked to put collectibles in ziplock bags and returned to our recycling chair. Items we collect are used ink cartridges for our Community Library, pull tabs from aluminum cans are donated to Ronald McDonald House in Lansing. Batteries are turned in for recycling. Old cell phones are donated to SIREN/Eaton Shelter. Many other club members recycle on their own at our local recycling center. Curb side recycling isn't an option in our community so this takes dedication on our part. Volunteer hours and members participating reflect only the effects of the chairperson.</p>

10	<p>FRIB Zach Constan, the MSU FRIB Outreach Coordinator was a very entertaining speaker for the seniors. Zach's slide presentation explained FRIB (Facility for Rare Isotope Beams) and how they study nuclei, which are made up of protons and neutrons. These nuclei are difficult to study because they are tiny, radioactive, short-lived, and not found on Earth. Their lab is funded by the Department of Energy and has been experimenting on nuclei since 1965, when they were considered the 3rd best facility in the world. After a \$730 million upgrade to construct FRIB, they are now the top facility in the world. FRIB is a 400-yard-long linear accelerator buried 30 feet underground. It accelerates nuclei to half the speed of light, which allows scientists to study the results of their collisions. Around 800 people are employed at the facility including designers, engineers, researchers, theorists,</p>

1	<p>We reinstated our “Women on the Move” program in 2016. At our local ALI VE health facility we ask members to record in the GFWC-Charlotte notebook each time they come to the facility to walk, take a class of any kind, use the spa or workout. We want to know how many hours they exercise. We are not concerned about how many miles they walk, just the fact that they came and walked. Walking eight times around the track may be easy for some, but just once around the track may be a monumental task for another. We think it is important to show up and MOVE! The facility offers exercise classes, a walking track, weight equipment along with cooking classes geared toward healthy eating, other enrichment opportunities, massages, meeting places, and child care for your children while you work out. Women also record hours that they exercise at other places or on their own. The notebook was made available at Allve in September after the Covid mandate was lifted.</p>
